Activism in Action: Service Projects Guiding Questions

1. What are your skills and talents? How would these skills/talents contribute to the group?

2. What cause or issue do you care about? How can you bring your specific awareness to best enhance the group?

3. Are you working on a local, national, or international level to benefit your cause? Why?

4. What methods could potentially benefit this cause (education, advocacy, fundraising)? How?

5. How will your project combine your skills and talents as a group with these methods? How will this benefit your cause?

6. What is your first step?

7. Find AT LEAST THREE resources that will help you in your work. List them here:
