Content/Sources:	Covers topic in-depth with details and examples. Subject knowledge is excellent. Variety of sources used BOTH Library & Internet; excellent mix of visual/text.	Includes essential knowledge about the topic. Subject knowledge appears to be good. Variety of sources used BOTH Library & Internet; good mix of visual/text.	Includes essential information about the topic but relies on cut and paste mentality. Sources need to reflect BOTH Library & Internet; adequate mix of visual/text.	Content is minimal OR completely copied. More variety of sources needed from BOTH Library & Internet; poor mix of visual/text.
Organization/Requirements:	Content is well organized using headings or bulleted lists to group related material. All aspects of the topic are discussed and presented.	Uses headings or bulleted lists to organize, but the overall organization of topics appears flawed. Most aspects of the topic are discussed and presented.	Content is logically organized for the most part. Some aspects of the topic are discussed and presented.	There was no clear or logical organizational structure, just lots of facts. Many aspects of the topic are missing and not represented.
